Education

Nashville Software School

Aug 2020- Expected Graduation Feb 2021

Full-time, 6 month web development bootcamp. Studied frontend web development in a hands-on, learn-by-doing environment. Practiced Agile software development methodologies, including SCRUM.

ABOUT ME

I am a motivated creative with 6 months of experience in ux/ui design and frontend software development. Prior to becoming a frontend software developer, I was a professional musician. I am personable and an enthusiastic collaborator, fueled by a passion for creating honest, inclusive, and meaningful experiences for people. I embrace experimentation and I have a growth mindset.

Skills

User Research, Experience Strategy, Interaction Design, User Interface Design, Usability Testing, HTML, JavaScript, Prototyping, Wireraming, CSS, REACT JS, Adobe Creative Suite, Personas, Motion Graphics, Sound Design, Video Editing, Audio Engineering, Git, GitHub, Firebase, Site Mapping

Professional Experience

Devon Heath Music - Singer/Songwriter, Nov 2001 - Mar 2020

I worked solo and with other musicians and professionals to record and tour. I collaborated with songwriters, producers, musicians, and engineers.

- **Produced** and **engineered** records and demos using **Protools, Logic**, and other software.

- **Designed** album covers, websites, promo materials, ads, and merch using **Photoshop, Illustrator**, and **Premiere Pro**.

Music City Rollin' Jamboree - Musician, Jul 2013 - Mar 2020

I was a part of a team that performed a 90 minute music and comedy show twice a day.

- As a core team member, I helped take them from a startup to one of the top 5 attractions in Nashville. (As of March 2020)

- After 3 nominations, won the Music City Hit Maker award for outstanding customer service from the city of Nashville

FirstHand Media - Owner, Oct 2011 - June 2013

Recorded individuals' life stories, company histories, club histories, personalized holiday messages, and more. Delivered recordings to clients in various formats, including DVD, CD, and print.

- **Designed** the FirstHand Media logo and website, as well as all promo materials
